

FLEET & FACILITIES MAINTENANCE

Vehicle Maintenance: Battalion Chief Bill DuBois has headed the Maintenance Division during the 2000 calendar year. The main objective of the program is to keep all equipment including parts and necessary supplies in good safe working condition while spending our allotted budget in a prudent manner. This includes inventory records, maintenance files, current moneys spent in approved budget, new budget needs, etc.

Facilities Maintenance: The Facilities Maintenance Section also headed by Battalion Chief Bill DuBois during the 2000 year. The objectives of this section are to provide and maintain safe, efficient and attractive function areas, living quarters and public buildings. In addition, to have all buildings conform to current codes and regulations and to promote community pride within Fire Department facilities.

Department facilities include the following locations:

El Centro Fire Department
Station 1 (Headquarters)
775 State St.,
El Centro, Ca 92243
Built in 1949

El Centro Fire Department
Station 2 (Prevention Bureau)
900 S. Dogwood Rd.,
El Centro, Ca 92243
Built in 1986
