**Permit Application for Nonprofit Food Facility Operators
At Community Events**

This permit application is to be completed by each nonprofit group intending to operate a temporary food facility at a "Community Event". A Community Event means an event that is of a civic, political, public, or educational nature, including State and County fairs, city festivals, circuses, and other similar events. Upon completion, please submit this form to the office given above. One permit is required per facility and is valid for one community event only.
