Stop Sign Installation at the intersection of Cruickshank Drive

El Centro, CA. April 28, 2021 – A four way stop is currently being installed at the intersection of Cruickshank Drive and a commercial driveway, located between Waterman Avenue and Cottonwood Drive. The stop signs will go into effect starting Wednesday, May 5, 2021.

This controlled intersection will now require east and west bound traffic along Cruickshank Drive to stop at the said intersection. A high visibility crosswalk will be added for pedestrian access across Cruickshank.

If you have any questions regarding this update, please contact the City of El Centro, Engineering Division at 760-337-5182.
