El Centro Aquatic Center International Water Safety Day

El Centro, Ca. May 14, 2020 - On Friday, May 15, 2020, the El Centro Aquatic Center will be hosting a drive through International Water Safety Day event. International Water Safety Day is about the importance of raising awareness about water safety education and drowning prevention. On this day, the Aquatic Center will be giving out free At Home Water Safety Activity Kits from 9 am – 11 am, while supplies last. Additionally, the City of El Centro would like to thank the Fraternal Order of Eagles – Aerie 1559 for sponsoring the first 40 kids, ages 18 and younger who will receive a free single day admission pass. We are also very excited to announce that Dippy Duck will make a very special appearance.

This event will all take place in the parking lot of the Aquatic Center, and those wishing to participate are asked to please remain in their car, drive up to the marked location, wear their masks, and enjoy the At Home Water Safety Activity Kits. Children need not be present to receive an At Home Water Safety Kit.

We are aware that we are still in the middle of a pandemic, and the safety of our staff and the public is our top priority. Everyone included in this event will be wearing masks, gloves, and all Activity Kits have been sanitized and assembled under strict sanitation procedures.

For more information, please contact the El Centro Aquatic Center at 760-335-4550.
