## **FOR IMMEDIATE RELEASE**

### **Valley Centerpoint Shopping Center donated to City of El Centro**

El Centro, CA – November 9, 2017 - The City of El Centro is pleased to announce that it has accepted the donation from Puente Del Sol, LLC for the donation of a portion of the Valley Centerpoint Shopping Center located at 1002 N. Imperial Avenue.

The City of El Centro Public library is currently leasing within the Valley Centerpoint Shopping Center. The donation includes the property that the library is using along with additional property that will be used for redevelopment possibilities for the City of El Centro.

The City of El Centro staff are very excited about the property donation and the opportunity to explore the most appropriate and adequate use of the space. This will include permanently establishing the location for the Public Library. The portion of the property that is being donated is 14.7 acres and approximately 103,000 square feet of building space.

The site is presently divided into two parcels. The property donation will not include the area where Imagine Schools and Carrows Restaurant are located.

The City Council approved the donation agreement between the City and Puente Del Sol, LLC during the November 9, 2017 Adjourned Regular Council Meeting.
