 PLANNING & ZONING DIVISION
 APPLICATION FOR TEMPORARY BANNER/WINDFEATHER**

Banners and windfeathers are allowed with a permit provided that all of the following conditions are met:

1. The temporary banner or windfeather shall not be used as permanent signage.
2. Banners shall be displayed no longer than 45 days within a 12 month period.
3. Windfeathers may be displayed year round as long as the fabric and pole are maintained in good condition at all times.
4. Such signs shall not be permanently fastened directly to the exterior wall or face of any building.
5. No temporary sign shall be installed, posted or extend into any public right-of-way.
6. Windfeathers are allowed 1 per every 30 feet of street frontage. For multiple occupants per building, # of signs permitted shall be figured by using the % of space occupied per occupant of the building. Such % shall be used to determine the # of signs permitted for each occupant.
