BETWEEN THE
THE CITY OF EL CENTRO
AND
FOR ON CALL ENGINEERING, PLAN CHECK, SURVEYING, INSPECTION SERVICES, GEOTECHNICAL, LANDSCAPE, AND ARCHITECTURAL DESIGN SERVICES
AGREEMENT BETWEEN THE CITY OF EL CENTRO AND FOR CONSULTING SERVICES

THIS AGREEMENT (“this Agreement” or “the Agreement”) is made and entered into by the City of El Centro (“the City”) and __________ an active California corporation (“the Consultant”) for the Consultant to provide on-call engineering, plan check, surveying, inspection services, geotechnical, landscape and architectural design services (“the Consulting Services”) to the City for the City’s Public Works Department (“the Project” or “each Project”).

RECITALS

The City wants to retain the services of a professional firm to provide the Consulting Services. The Consultant has the expertise, experience and personnel necessary to provide the Consulting Services for the Project.

The City and the Consultant (individually, “the Party” or “a Party;” collectively, “the Parties”) want to enter into an agreement whereby the City will retain the Consultant to provide, and the Consultant shall provide, the Consulting Services for the Project on an as-needed, hourly fee basis, not to exceed __________, to be paid by the Project applicant.

In consideration of the above recitals and the mutual covenants and conditions set forth, herein, and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby set forth their mutual covenants and understandings as follows:

ARTICLE I
CONSULTING SERVICES

The above-listed recitals are true and correct and are hereby incorporated by reference.

1.1 Scope of Services.

The scope of services will include the provision of on-call engineering, plan check, surveying, inspection services, geotechnical, landscape and architectural design services. The scope of services is more fully described in Exhibit A, attached hereto and made part of this Agreement. The Consultant shall perform the Consulting Services as described in each task at the direction of the City on a time and materials basis as enumerated in the fee schedule, attached to and made part of this Agreement as Exhibit B.

1.2 Task Administrator.

The Public Works Department is the task administrator for this Agreement. The Consultant shall provide the Consulting services under the direction of a designated representative of the Public Works Director or his/her designee (“the Director”). The Director will communicate with the Consultant on all matters related to the administration of this Agreement and the Consultant’s performance of the Consulting Services rendered hereunder. When this Agreement refers to communications to or with the City, those communications will be with the designated representative, unless the designated representative or this Agreement specifies otherwise.
1.3 City Modification of Scope of Services.

The City may, without invalidating this Agreement, order changes in any task by altering, adding to or deducting from the Consulting Services to be performed. All such changes shall be in writing and shall be performed in accordance with the provisions of this Agreement. If any such changes cause an increase or decrease in the Consultant’s cost of, or the time required for, the performance of any of the Consulting Services, the Consultant shall so notify the City. If appropriate, an equitable adjustment to the Consultant’s compensation may be made, provided that any adjustment must be pre-approved by the Parties in writing; the City’s approval shall come from the City Council.

1.4 Written Authorization.

Prior to performing any Consulting Services in connection with the Project, the Consultant shall obtain from the City a written authorization to proceed. The Consultant shall advise the City in writing immediately of any anticipated change in any task, fee schedule or time schedule, and shall obtain the City’s written consent to the change prior to making any changes. In no event shall the City’s consent be construed to relieve the Consultant from its duty to render all Consulting Services in accordance with applicable laws and accepted industry standards.

1.5 Confidentiality of Services.

All Consulting Services performed by the Consultant, including but not limited to all drafts, data, correspondence, proposals, reports and estimates compiled or composed by the Consultant, pursuant to this Agreement, are for the sole use of the City, its agents and employees. Neither the documents nor their contents shall be released to any third party without the prior written consent of the City. This provision does not apply to information that (a) was publicly known, or otherwise known to the Consultant, at the time that it was disclosed to the Consultant by the City, (b) subsequently becomes publicly known through no act or omission by the Consultant or (c) otherwise becomes known to the Consultant other than through disclosure by the City. Except for Subcontractors (as that term is defined in section 4.4), neither the documents nor their contents shall be released to any third party without the prior written consent of the City.

ARTICLE II
DURATION OF AGREEMENT

2.1 Term of Agreement.

This Agreement shall be for the term of five (5) years from the date of approval and may be extended for up to two (2) one-year extensions by mutual agreement.

2.2 Time of Essence.

Time is of the essence for each provision of this Agreement, unless otherwise specified in this Agreement.

2.3 Notification of Delay.

The Consultant shall immediately notify the City in writing of any delay in completion of the Consulting Services. The written notice shall include an explanation of the cause for, and a
reasonable estimate of the length of the delay. If the delay affects a material part of the Project, the City may exercise its rights under sections 2.5-2.9 of this Agreement.

2.4 Delay.

If delays in the performance of the Consulting Services are caused by unforeseen events beyond the control of the Parties, such delay may entitle the Consultant to a reasonable extension of time, but such delay shall not entitle the Consultant to damages or additional compensation. The following conditions may constitute such a delay: war, changes in law or government regulation, labor disputes, strikes, fires, floods, adverse weather or other similar condition of the elements necessitating cessation of the Consultant’s work, inability to obtain materials, equipment or labor, required additional Consulting Services or other specific reasons agreed to between the City and the Consultant; provided, however, that (a) this provision shall not apply and the Consultant shall not be entitled to an extension of time for a delay caused by the acts or omissions of the Consultant; and (b) that a delay caused by the inability to obtain materials shall not entitle the Consultant to an extension of time unless the Consultant furnishes the City, in a timely manner, documentary proof, to the City’s satisfaction, of the inability to obtain materials.

2.5 City’s Right to Suspend for Convenience.

The City may, at its sole option and for its convenience, suspend all or any portion of the Consultant’s performance of the Consulting Services, for a reasonable period of time not to exceed six (6) months. In accordance with the provisions of this Agreement, the City will give written notice to the Consultant of such suspension. In the event of such a suspension, in accordance with the provisions of Article III of this Agreement, the City shall pay to the Consultant a sum equivalent to the reasonable value of the Consulting Services the Consultant has performed up to the date of suspension. Thereafter, the City may rescind such suspension by giving written notice of rescission to the Consultant. The City may then require the Consultant to resume performance of the Consulting Services in compliance with the terms and conditions of this Agreement; provided, however, that the Consultant shall be entitled to an extension of time equal to the length of the suspension, unless otherwise agreed to in writing by the Parties.

2.6 City’s Right to Terminate for Convenience.

The City may, at its sole option and for its convenience, terminate all or any portion of the Consulting Services agreed to pursuant to this Agreement by giving written notice of such termination to the Consultant. Such notice shall be delivered by certified mail with return receipt for delivery to the City. The termination of the Consulting Services shall be effective upon receipt of the notice by the Consultant. After termination of this Agreement, the Consultant shall complete any and all additional work necessary for the orderly filing of documents and closing of the Consultant’s Consulting Services under this Agreement. For services rendered in completing the work, the Consultant shall be entitled to fair and reasonable compensation for the Consulting Services performed by the Consultant before the effective date of termination. After filing of documents and completion of performance, the Consultant shall deliver to the City all drawings, plans, calculations, specifications and other documents or records related to both the Project and to the Consultant’s Consulting Services on all task(s). By accepting payment for completion, filing and delivering documents as called for in this paragraph, the Consultant discharges the City of all of the City’s payment obligations and liabilities under this Agreement.
2.7 City’s Right to Terminate for Default.

If the Consultant fails to adequately perform any obligation required by this Agreement, the Consultant’s failure constitutes a default (“a Default” or “the Default”). If the Consultant fails to satisfactorily cure a Default within ten (10) calendar days of receiving written notice from the City specifying the nature of the Default, the City may immediately cancel and/or terminate this Agreement, and terminate each and every right of the Consultant, and any person claiming any rights by or through the Consultant under this Agreement. The rights and remedies of the City enumerated in this section 2.7 are cumulative and shall not limit, waive or deny any of the City’s rights under any other provision of this Agreement, nor does this section 2.7 otherwise waive or deny any right or remedy, at law or in equity, existing as of the date of this Agreement or hereinafter enacted or established, that may be available to the City against the Consultant.

2.8 City’s Right to Terminate for Bankruptcy or Assignment for the Benefit of Creditors.

If the Consultant files a voluntary petition in bankruptcy, is adjudicated bankrupt or makes a general assignment for the benefit of creditors, the City may at its option and without further notice to or demand upon the Consultant, immediately cancel and/or terminate this Agreement and terminate each and every right of the Consultant and any person claiming any rights by or through the Consultant. The rights and remedies of the City enumerated in this section 2.8 are cumulative and shall not limit, waive or deny any of the City’s rights under any other provision of this Agreement, nor does this section 2.8 otherwise waive or deny any right or remedy, at law or in equity, existing as of the date of this Agreement or hereinafter enacted or established, that may be available to the City against the Consultant.

ARTICLE III
COMPENSATION

3.1 General.

The City shall pay the Consultant for all the Consulting Services and all expenses related to performance under this Agreement, in an amount as set forth in the fee schedule attached hereto as Exhibit B and incorporated herein. The Consultant shall be entitled to compensation for the Consulting Services under this Agreement, whether within the scope of work for any Project, or as Additional Services (as that term is defined in section 3.3, infra), based on Exhibit B. For the duration of this Agreement, the Consultant shall not be entitled to fees which exceed those set forth on Exhibit B. Prior to beginning performance on each Project, the Consultant shall provide a proposal to the City including a not-to-exceed cost estimate for each task, a schedule of work and a scope of work. The scope of work shall include all activities or work reasonably anticipated as necessary for successful completion of each Project presented by the City.

3.2 Manner of Payment.

The Consultant shall bill all fees and expenses incurred in accordance with this Agreement directly to the City on a monthly basis.
3.2.1 Payments. The Consultant shall submit one (1) invoice per calendar month for work performed in accordance with the fee schedule. The Consultant shall include with each invoice a description of completed work. Undisputed portions of invoices to the City must be in accordance with the fee schedule and will be payable if approved, within thirty (30) calendar days of receipt.

3.3 Additional Services.

If the City requires additional Consulting Services (“Additional Services”) beyond the Project, except for Additional Costs (as that term is defined in section 3.4), the Consultant will be paid an additional fee. Additional Services shall be in accordance with the rates provided in the fee schedule. The City and the Consultant must agree in writing upon such fee prior to the Consultant beginning the Additional Services.

3.4 Additional Costs.

Additional costs (“Additional Costs”) are those costs that can be reasonably determined to be related to the Consultant’s errors or omissions, and may include Consultant, City or Subcontractor (as that term is defined in section 4.4) overhead, construction, materials, demolition and related costs. The Consultant shall not be paid for the Consulting Services required due to the Consultant’s errors or omissions, and the Consultant shall be responsible for any additional costs associated with such errors or omissions. These additional costs may be deducted from monies due, or that become due, the Consultant. Whether or not there are any monies due, or becoming due, the Consultant shall reimburse the City for additional costs due to the Consultant’s errors or omissions.

ARTICLE IV
CONSULTANT’S OBLIGATIONS

4.1 Industry Standards.

In addition to the Consultant’s covenants described in Article VI hereof, the Consultant agrees that the Consulting Services rendered under this Agreement shall be performed in accordance with the standards customarily adhered to by an experienced and competent professional engineering firm using the degree of care and skill ordinarily exercised by reputable professionals practicing in the same field of service in the State of California. Where approval by the City, the City Manager or other representatives of the City is required, it is understood to be general approval only and does not relieve the Consultant of responsibility for complying with all applicable laws, codes and good consulting practices.

4.2 Right to Audit.

4.2.1 Access. The City retains the right to review and audit, and the reasonable right of access to Consultant’s and all Subcontractor’s (as that term is defined in section 4.4) premises to review and audit the Consultant’s compliance with the provisions of this Agreement (“the City’s Right”). The City’s Right includes the right to inspect and photocopy same, and to retain copies, outside of the Consultant’s premises, of any and all records with appropriate safeguards, if such retention is deemed necessary by City in its sole discretion. This information shall be kept by the City in strictest confidence allowed by law.
4.2.2 Audit. The City’s Right includes the right to examine any and all books, records, documents and any other evidence of procedures and practices that the City determines are necessary to discover and verify that the Consultant is in compliance with all requirements under this Agreement.

4.2.2.1 Cost Audit. If there is a claim for additional compensation or for Additional Services, the City’s Right includes the right to examine books, records, documents and any and all other evidence and accounting procedures and practices that the City determines are necessary to discover and verify all direct and indirect costs, of whatever nature, which are claimed to have been incurred or anticipated to be incurred.

4.2.2.1.1 Accounting Records. The Consultant shall maintain complete and accurate records in accordance with generally-accepted accounting practices in the industry. The Consultant shall make available to the City for review and audit all Project-related accounting records and documents and any other financial data. Upon the City’s request, the Consultant shall submit exact duplicates of originals of all requested records to the City.

4.2.3 City’s Right--Binding on Subcontractors. The Consultant shall include the City’s Right as described in section 4.2, in any and all of their subcontracts, and shall ensure that these sections are binding upon all Subcontractors (as that term is defined in section 4.4).

4.3 Insurance.

The Consultant shall maintain prior to the beginning of and for the duration of this Agreement insurance coverage as specified in Exhibit C attached to and made part of this Agreement.

4.4 Subcontractors.

The Consultant’s hiring of or retaining any third parties (singularly, “a Subcontractor” or “the Subcontractor,” in the plural, “Subcontractors” or “the Subcontractors”) to perform services related to the Project (“the Subcontractor Services”) is subject to prior approval by the City. The Consultant shall list on the subcontractors list all Subcontractors known to the Consultant at the time this Agreement is entered. If at any time after this Agreement is entered into the Consultant identifies a need for additional Subcontractor Services, the Consultant shall give written notice to the City of the need, at least forty-five (45) days before entering into a contract for such Subcontractor Services. The Consultant’s notice shall include a justification, a description of the scope of work and an estimate of all costs for the Subcontractor Services. The Consultant may request that the City reduce the forty-five (45) day notice period. The City agrees to consider such requests in good faith.

4.4.1 Subcontractor Contract. All contracts entered into between the Consultant and a Subcontractor shall contain the information as described in Sections 4.6, 4.7, and 4.10 as well as any other information, terms, and conditions required elsewhere in this Agreement to be included in said agreements, and shall also provide as follows:

4.4.1.1 For each Subcontractor, each Subcontractor shall obtain insurance policies which shall be kept in full force and effect during any and all work on the Project and for the duration of this Agreement. Each Subcontractor shall obtain, and the Consultant shall require the Subcontractor to obtain, all policies described in Exhibit C, attached hereto and incorporated herein.
4.4.1.2 The Consultant is obligated to pay the Subcontractor, for Consultant- and City-approved invoice amounts, out of amounts paid by the City to the Consultant, not later than fourteen (14) working days from the Consultant’s receipt of payment from the City. Nothing in this paragraph shall be construed to impair the right of the Consultant and any Subcontractor to negotiate fair and reasonable pricing and payment provisions among themselves.

4.4.1.3 In the case of a deficiency in the performance of Subcontractor Services, the Consultant shall notify the City in writing of any withholding of payment to the Subcontractor, specifying: (a) the amount withheld; (b) the specific cause under the terms of the subcontract for withholding payment; (c) the connection between the cause for withholding payment and the amount withheld; and (d) the remedial action the Subcontractor must take in order to receive the amount withheld. Once the Subcontractor corrects the deficiency, the Consultant shall pay the Subcontractor the amount withheld within fourteen (14) working days of the Consultant’s receipt of the City’s next payment.

4.4.1.4 In any dispute between the Consultant and Subcontractor, the City shall not be made a party to any judicial or administrative proceeding to resolve the dispute. The Consultant agrees to defend and indemnify the City as described in Article VI of this Agreement in any dispute between the Consultant and Subcontractor should the City be made a party to any judicial or administrative proceeding to resolve the dispute in violation of this provision.

4.4.1.5 The Subcontractor is bound to the same requirements as the primary consultant for assurances to the City regarding non-discrimination covenants set forth in section 4.6.

4.5 Contract Activity Report.

The Consultant shall submit statistical information to the City as requested in the City’s contract activity report (“the Contract Activity Report”). The statistical information shall include the amount of subcontracting provided by firms during the period covered by the Contract Activity Report. With the Contract Activity Report, the Consultant shall provide an invoice from each Subcontractor listed in the report. The Consultant agrees to issue payment to each firm listed in the Report within fourteen (14) working days of receiving payment from the City for Subcontractor Services as described in section 4.4.1.

4.6 Non-Discrimination Requirements.

The Consultant shall not discriminate on the basis of race, gender, gender identity, gender expression, religious creed, national origin, color, sexual orientation, age, disability (mental and physical) including HIV and AIDS, ancestry, medical condition (cancer and genetic characteristics), genetic information, marital status, gender identity or sex (which includes pregnancy, childbirth and medical conditions related thereto) in the solicitation, selection, hiring or treatment of Subcontractors, vendors or suppliers. The Consultant shall provide equal opportunity for Subcontractors to participate in subcontracting opportunities. The Consultant understands and agrees that violation of this clause shall be considered a material breach of this Agreement and may result in contract termination, debarment or other sanctions. This language shall be in contracts between the Consultant and any Subcontractors, vendors and suppliers.
4.7 Drug-Free Workplace.

The Consultant agrees to ensure a drug-free workplace. The Consultant shall certify to the City that it will provide a drug-free workplace by submitting a consultant certification for a drug-free workplace form.

4.7.1 Consultant’s Notice to Employees. The Consultant shall publish a statement notifying employees that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of the prohibition.

4.7.2 Drug-Free Awareness Program. The Consultant shall establish a drug-free awareness program to inform employees about all of the following:

4.7.2.1 The dangers of drug abuse in the workplace.

4.7.2.2 The policy of maintaining a drug-free workplace.

4.7.2.3 Available drug counseling, rehabilitation and employee assistance programs.

4.7.2.4 The penalties that may be imposed upon employees for drug use violations.

4.7.3 Posting the Statement. In addition to Section 4.7.1 above, the Consultant shall post the drug-free policy in a prominent place.

4.7.4 Subcontractor’s Agreements. The Consultant further certifies that each contract for Subcontractor Services for this Project shall contain language that binds the Subcontractor to comply with the provisions of section 4.7 of this Agreement. The Consultant and any Subcontractors shall be individually responsible for their own drug-free workplace program.

4.8 Americans with Disabilities Act Statement.

The Consultant shall certify that any construction documents and specifications meet all current Title 24 of the California Code of Regulations, known as the California Building Standards Code (“Title 24”), requirements and the Americans with Disabilities Act Accessibility Guidelines (“ADAAG”) and are in compliance with the Americans with Disabilities Act of 1990. When a conflict exists between Title 24 and ADAAG, the most restrictive requirement shall be followed.

4.9 Product Endorsement.

The Consultant acknowledges and agrees that any advertisement identifying or referring to the City as the user of a product or service requires the prior written approval of the City.

4.10 Conflict of Interest.

The Consultant is subject to all Federal, State and local conflict of interest laws, regulations and policies applicable to public contracts and procurement practices, including but not limited to California Government Code sections 1090 et seq. and 81000 et seq. The Consultant shall complete
one (1) or more statements of economic interest disclosing relevant financial interests as described on
Exhibit D (“Consultant’s Statement of Financial Interest”) hereto which may be amended from time
to time by City. Upon the City’s request, the Consultant shall submit the necessary supplementary
documentation to the City.

4.10.1 The Consultant shall establish and make known to its employees and agents
appropriate safeguards to prohibit employees from using their positions for a purpose that is, or that
gives the appearance of being, motivated by the desire for private gain for themselves or others,
particularly those with whom they have family, business or other relationships.

4.10.2 The Consultant and its Subcontractors having subcontracts amounting to one
percent (1%) or more of the value of the professional services agreed to under this Agreement are
precluded from participating in design services, on behalf of the contractor, construction
management, and any other construction services related in any way to the professional services
without the prior written consent of the City.

4.10.3 The Consultant’s personnel employed on any task shall not accept gratuities
or any other favors from any Subcontractors or potential Subcontractors. In connection with any task,
the Consultant shall not recommend or specify any product, supplier, or contractor with whom the
Consultant has a direct or indirect financial or organizational interest or relationship that would
violate conflict of interest laws, regulations, or policies.

4.10.4 If the Consultant violates any conflict of interest laws or any of these
provisions in section 4.10, the violation shall be grounds for immediate termination of this
Agreement. Further, the violation subjects the Consultant to liability to the City for attorneys’ fees
and all damages sustained as a result of the violation.

4.11 Mandatory Assistance.

If a third-party dispute or litigation, or both, arises out of, or relates in any way to, the
Consulting Services provided under this Agreement, upon the City’s request, the Consultant and its
agents, officers and employees agree to assist in resolving the dispute or litigation (“Mandatory
Assistance”). The Mandatory Assistance includes, but is not limited to, providing professional
consultations, attending mediations, arbitrations, depositions, trials or any event related to the dispute
resolution and/or litigation.

4.12 Compensation for Mandatory Assistance.

The City will compensate the Consultant for fees incurred for providing Mandatory
Assistance as Additional Services under section 3.3. If, however, the fees incurred for the Mandatory
Assistance are determined, through resolution of the third-party dispute or litigation, or both, to be
attributable in whole, or in part, to the acts or omissions of the Consultant, its agents, officers or
employees, the Consultant shall pay back the City. The City is then entitled to repayment of all fees
paid to the Consultant, its agents, officers and employees for Mandatory Assistance.

4.13 Attorneys’ Fees and Costs Related to Mandatory Assistance.

In providing the City with dispute or litigation assistance, the Consultant or its agents,
officers and employees may incur expenses and/or costs. The Consultant agrees that any attorneys’
fees it may incur as a result of assistance provided under section 4.11 are not reimbursable. The
Parties agree this provision does not in any way affect their rights to seek attorneys’ fees or costs under section 7.8 of this Agreement.

ARTICLE V
CITY’S OBLIGATIONS

5.1 Ownership of Documents.

Once the Consultant has received any compensation for the Consulting Services performed, all documents, including but not limited to, original plans, studies, sketches, drawings, computer printouts and disk files and specifications prepared in connection with or related to any task or Consulting Services shall be the property of the City. The City’s ownership of these documents includes use of, reproduction or reuse of and all incidental rights, whether or not the work for which they were prepared has been performed. The City’s ownership entitlement arises upon payment or any partial payment for work performed and includes ownership of any and all work product completed. This section 5.1 shall apply whether the Consultant’s Consulting Services are terminated by the completion of the Project or in accordance with other provisions of this Agreement. Notwithstanding any other provision of this paragraph or Agreement, the Consultant shall have the right to make copies of all such plans, studies, sketches, drawings, computer printouts and disk files and specifications.

The Consultant shall not be responsible for damage caused by subsequent changes to or uses of the plans or specifications, where the subsequent changes or uses are not authorized or approved by the Consultant, provided that the service rendered by the Consultant was not a proximate cause of the damage.

5.2 Additional Consultants or Contractors.

The City reserves the right to employ, at its own expense, such additional consultants or contractors as the City deems necessary to perform work or to provide the professional services on the Project.

5.3 Employment of City Staff.

This Agreement may be unilaterally and immediately terminated by the City, at its sole discretion, if the Consultant employs an individual who, within the last twelve (12) months immediately preceding such employment did, in the individual’s capacity as an officer or employee of the City, participate in, negotiate with, or otherwise have an influence on the recommendation made to the City Council or City Manager in connection with the selection of the Consultant.

ARTICLE VI
INDEMNIFICATION

6.1 Indemnification for Professional Liability.

When the law establishes a professional standard of care for the Consultant’s Services, to the fullest extent permitted by law, the Consultant shall indemnify, defend and hold harmless the City and any and all of its officials, employees and agents (“Indemnified Parties”) from and against any and all losses, liabilities, damages, costs and expenses, including reasonable attorney’s fees and costs, to the extent same are caused by any negligent or wrongful act, error or omission of the
Consultant, its officers, agents, employees or any Subcontractors (or any entity or individual that the Consultant shall bear the legal liability thereof) in the performance of professional services under this Agreement. With respect to the design of public improvements, the Consultant shall not be liable for any injuries or property damage resulting from the reuse of the design at a location other than that specified in Exhibit A without the written consent of the Consultant.

6.2 Indemnification for Other Than Professional Liability.

Other than in the performance of professional services and to the full extent permitted by law, Consultant shall indemnify, defend and hold harmless the City, and any and all of its employees, officials and agents from and against any liability (including liability for claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses or costs of any kind, including reasonable attorneys fees and costs, court costs, interest, defense costs and expert witness fees), to the extent the same arise out of, are a consequence of, or are in any way attributable to the performance of, this Agreement by Consultant or by any individual or entity for which the Consultant is legally liable, including but not limited to officers, agents, employees or Subcontractors of the Consultant.

6.3 General Indemnification Provisions.

The Consultant agrees to obtain executed indemnity agreements with provisions identical to those set forth here in this section from each and every Subcontractor or any other person or entity involved by, for, with or on behalf of the Consultant in the performance of this Agreement. In the event the Consultant fails to obtain such indemnity obligations from others as required here, the Consultant agrees to be fully responsible according to the terms of this section. Failure of the City to monitor compliance with these requirements imposes no additional obligations on the City and will in no way act as a waiver of any rights hereunder. This obligation to indemnify and defend the City as set forth here is binding on the successors, assigns or heirs of the Consultant and shall survive the termination of this Agreement or this section.

Without affecting the rights of the City under any provision of this Agreement, the Consultant shall not be required to indemnify and hold harmless the City for liability attributable to the active negligence of the City, provided such active negligence is determined by agreement between the Parties or by the findings of a court of competent jurisdiction. In instances where the City is shown to have been actively negligent and where the City’s active negligence accounts for only a percentage of the liability involved, the obligation of the Consultant will be for that entire portion or percentage of liability not attributable to the active negligence of the City.

ARTICLE VII

This Agreement may be executed in counterparts, which when taken together shall constitute a single signed original as though all Parties had executed the same page.

**7.12 No Waiver.**

No failure of either the City or the Consultant to insist upon the strict performance by the other of any covenant, term or condition of this Agreement, nor any failure to exercise any right or remedy consequent upon a breach of any covenant, term or condition of this Agreement, shall constitute a waiver of any such breach of such covenant, term or condition. No waiver of any breach shall affect or alter this Agreement, and each and every covenant, condition and term hereof shall continue in full force and effect to any existing or subsequent breach.

**7.13 Severability.**

The unenforceability, invalidity or illegality of any provision of this Agreement shall not render any other provision of this Agreement unenforceable, invalid or illegal.

7.16 Signing Authority.

The representative for each Party signing on behalf of a corporation, partnership, joint venture or governmental entity hereby declares that authority has been obtained to sign on behalf of the corporation, partnership, joint venture or governmental entity and agrees to hold the other Party or Parties hereto harmless if it is later determined that such authority does not exist.

Each Party shall notify the other immediately upon the identification of any apparent conflict or inconsistency concerning this Agreement.

7.18 Non-Appropriation.

This Agreement is based on the availability of public funding on the part of the City. In the event of unavailability or non-appropriation of funds, the City may either agree to make up the shortfall in a manner of its choosing or terminate this Agreement, without penalty, after written notice to the Consultant. INSURANCE REQUIREMENTS

Prior to the beginning of and throughout the duration of the Project, the Consultant will maintain insurance in conformance with the requirements set forth below. The Consultant will use existing coverage to comply with these requirements. If that existing coverage does not meet the requirements set forth here, the Consultant agrees to amend, supplement or endorse the existing coverage to do so. The Consultant acknowledges that the insurance coverage and policy limits set forth in this section constitute the minimum amount of coverage required. Any insurance proceeds available to the City in excess of the limits and coverage required in this agreement and which is applicable to a given loss, will be available to the City.

I
TYPES OF INSURANCE

The Consultant shall provide the following types and amount of insurance:

Limits are subject to review, but in no event to be less than one million dollars ($1,000,000) per accident. If the Consultant owns no vehicles, this requirement may be satisfied by a non-owned auto endorsement to the general liability policy described above. If the Consultant or the Consultant’s employees will use personal autos in any way on this project, the Consultant shall provide evidence of personal auto liability coverage for each such person.

C. Workers’ Compensation.

Workers’ Compensation on a state-approved policy form providing statutory benefits as required by law with employer’s liability limits no less than one million dollars ($1,000,000) per accident or disease.

D. Professional Liability or Errors and Omissions Insurance.

The policy limit shall be no less than one million dollars ($1,000,000) per claim and in the aggregate. The policy must “pay on behalf of” the insured and must include a provision establishing the insurer’s duty to defend. The policy retroactive date shall be on or before the effective date of this Agreement.
E. **Unemployment and Disability Insurance.**

Unemployment and disability insurance shall be provided and maintained in the manner and in the amounts required by the Unemployment Insurance Code.

**II
INSURER QUALIFICATIONS**

Insurance procured pursuant to these requirements shall be written by an insurer that is an admitted carrier in the State of California and with an A.M. Best rating of A- or better and a minimum financial size VII.

**III
GENERAL CONDITIONS**

General conditions pertaining to provision of insurance coverage by the Consultant. The Consultant and the City agree to the following with respect to insurance provided by the Consultant:

1. The Consultant agrees to have its insurer endorse the third party general liability coverage required herein to include as additional insureds City, its officials, employees and agents, using standard ISO endorsement No. CG 2010 with an edition prior to 2004, or equivalent provisions as determined by the Office of the City Attorney for the City in its sole discretion. The Consultant also agrees to require all consultants, subcontractors and anyone else involved in any way with the project contemplated by this Agreement, to do likewise.

2. No liability insurance coverage provided to comply with this Agreement shall prohibit the Consultant, or the Consultant’s employees, or agents, from waiving the right of subrogation prior to a loss. The Consultant agrees to waive subrogation rights against the City regardless of the applicability of any insurance proceeds, and to require all consultants and subcontractors to do likewise.

3. All insurance coverage and limits provided by the Consultant and available or applicable to this Agreement are intended to apply to the full extent of the policies. Nothing contained in this Agreement or any other agreement relating to the City or its operations limits the application of such insurance coverage.

4. None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsements of any kind that has not been first submitted to the City and approved of in writing.

5. No liability policy shall contain any provision or definition that would serve to eliminate so-called “third party action over” claims, including any exclusion for bodily injury to an employee of the insured or of any consultant or subcontractor.

6. All coverage types and limits required are subject to approval, modification and additional requirements by the City, as the need arises. The Consultant shall not make any reductions in scope of coverage (e.g. elimination of contractual liability or reduction of discovery period) that may affect the City’s protection without the City’s prior written consent.
7. Proof of compliance with these insurance requirements, consisting of certificates of insurance evidencing all of the coverages required and an additional insured endorsement to the Consultant’s general liability policy, shall be delivered to the City at or prior to the execution of this Agreement. In the event such proof of any insurance is not delivered as required, or in the event such insurance is canceled at any time and no replacement coverage is provided, the City has the right, but not the duty, to obtain any insurance it deems necessary to protect its interest under this or any other agreement and to pay the premium. Any premium so paid by the City shall be charged to and promptly paid by the Consultant or deducted from sums due the Consultant, at City option.

8. Endorsements and certificate(s) are to reflect that the insurer will provide thirty (30) days notice to the City of any cancellation of coverage. The Consultant agrees to require its insurer to modify such endorsements or certificates to delete any exculpatory wording stating that failure of the insurer to mail written notice of cancellation imposes no obligation, or that any Party will “endeavor” (as opposed to being required) to comply with the requirements of the certificate.

9. It is acknowledged by the Parties to this Agreement that all insurance coverage required to be provided by the Consultant or any subcontractor is intended to apply first and on a primary, non-contributing basis in relation to any other insurance or self insurance available to the City.

10. The Consultant agrees to ensure that subcontractors and any other party involved with the Project who is brought onto or involved in the Project by the Consultant provide the same minimum insurance coverage required of the Consultant. The Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. The Consultant agrees that upon request, all agreements with subcontractors and others engaged in the Project will be submitted to the City for review.

11. The Consultant agrees not to self-insure or to use any self-insured retentions or deductibles on any portion of the insurance required herein and further agrees that it will not allow any consultant, subcontractor, Architect, Engineer or other entity or person in any way involved in the performance of work on the Project contemplated by this Agreement to self-insure its obligations to the City. If the Consultant’s existing coverage includes a deductible or self-insured retention, the deductible or self-insured retention must be declared to the City. At that time the City shall review options with the Consultant, which may include reduction or elimination of the deductible or self-insured retention, substitution of other coverage, or other solutions.

12. The City reserves the right at any time during the term of the contract to change the amounts and types of insurance required by giving the Consultant ninety (90) days advance written notice of such change. If such change results in substantial additional cost to the Consultant, the City will negotiate additional compensation proportional to the increased benefit to City.

13. For purposes of applying insurance coverage only, this Agreement will be deemed to have been executed immediately upon any Party hereto taking any steps that can be deemed to be in furtherance of or towards performance of this Agreement.
14. The Consultant acknowledges and agrees that any actual or alleged failure on the part of the City to inform the Consultant of non-compliance with any insurance requirement in no way imposes any additional obligations on the City nor does it waive any rights hereunder in this or any other regard.

15. The Consultant will renew the required coverage annually as long as the City, or its employees or agents face an exposure from operations of any type pursuant to this Agreement. This obligation applies whether or not the agreement is canceled or terminated for any reason. Termination of this obligation is not effective until the City executes a written statement to that effect.

16. The Consultant shall provide proof that policies of insurance required herein expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Proof that such coverage has been ordered shall be submitted prior to expiration. A coverage binder or letter from the Consultant's insurance agent to this effect is acceptable. A certificate of insurance and an additional insured endorsement as required in these specifications applicable to the renewing or new coverage must be provided to the City within five (5) days of the expiration of the coverages.

17. The provisions of any Workers' Compensation or similar act will not limit the obligations of the Consultant under this Agreement. The Consultant expressly agrees not to use any statutory immunity defenses under such laws with respect to the City, its employees, officials and agents.

18. Requirements of specific coverage features or limits contained in this section are not intended as limitations on coverage, limits or other requirements nor as a waiver of any coverage normally provided by any given policy. Specific reference to a given coverage feature is for purposes of clarification only at it pertains to a given issue, and is not intended by any party or insured to be limiting or all-inclusive.

19. These insurance requirements are intended to be separate and distinct from any other provision in this Agreement and are intended by the Parties here to be interpreted as such.

20. The requirements in this exhibit supersede all other sections and provisions of this Agreement to the extent that any other section or provision conflicts with or impairs the provisions of this exhibit.

21. The Consultant agrees to be responsible for ensuring that no contract used by any party involved in any way with the project reserves the right to charge the City or the Consultant for the cost of additional insurance coverage required by this Agreement. Any such provisions are to be deleted with reference to the City. It is not the intent of the City to reimburse any third party for the cost of complying with these requirements. There shall be no recourse against the City for payment of premiums or other amounts with respect thereto.

22. The Consultant agrees to provide immediate notice to the City of any claim or loss against the Consultant arising out of the work performed under this Agreement. The City assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve the City.
